Crystal Lodge & Suites Creates Seasonal Experiences for Guests

As the Resort of Whistler is covered in a blanket of snow, and the crisp scent of frost makes its way through the air, the team at the Crystal Lodge prepares for guests seasonal needs. This December when guests visit the Crystal Lodge they are invited to enjoy these exciting and delicious new offerings:

Personalized Ski Valet service to take the stress out of your ski equipment. Each morning the Crystal Lodge Ski Valet provides guests with their equipment, conditions on Whistler and Blackcomb Mountains, and quick tips on which runs are in the best condition. At the end of the day the Ski Valet is awaiting guests on the Village Stroll to quickly assist with taking their ski and snowboard equipment for immediate storage so that guests can enjoy après ski activities without the headache of finding a locker. As an added convenience, each floor of the Crystal Lodge is equipped with boot and glove dryers to keep equipment toasty for the next day.

A visit to Whistler over the Holiday's wouldn't be complete without some special treats. During the week of December 21 – 30, each day the Crystal Lodge is featuring Cookies and Crafts for kids, Live Singers in the Lobby, and Movie nights in the Emerald Room for guests. Santa will also be making an appearance on Christmas Eve to listen to take note of special requests.

The Crystal Lodge & Suites offers an unbeatable hotel location *"at the centre of it all"* in Whistler Village. Featuring rooms to suit everyone from newly renovated Crystal hotel rooms to stunning mountain view three bedroom suites. Just steps away from Whistler and Blackcomb gondolas, with 20+ onsite retail shops and restaurants, complimentary wireless internet, complimentary ski and bike valet.
